1. Circle which program are you applying for:

Level 1

Level 2

Both Level 1 and Level 2

2. Describe why you would like to participate in the Water Harvesting Certification program. Please let us know how you plan on utilizing your training.
3. Describe any relevant skills you have that would make you a good water harvesting instructor/practitioner/advocate.
4. If you are applying to participate only in Level 2, please list your water harvesting experience and describe your qualifications to participate in the advanced training.
5. Four to seven hours of outside hands-on work will be done for up to 9 days during the training in summer heat with average high temperatures of 98 degrees Fahrenheit. Do you consider yourself physically capable of participating in this type of outdoor work in the summer heat? Should you feel ill-prepared for any reason, please let us know in this section.
6. In order to earn certification, we ask that participants attend all the trainings. Please inform us if there are any trainings you might have to miss. If so, please explain what you would miss and if you would be able to make up the missed classes at a later date.
7. How did you find out about the Water Harvesting Certification Program?
8. We offer a limited set of scholarships to our training program defraying some of the costs to you as a participant. If you feel you deserve to be considered for a scholarship, please tell us a bit more about yourself and how a scholarship would assist you in attending this program.

9. In the case that only partial scholarship are available, please tell us up to which amount of the registration fee you would be able to afford.
10. If you are not living in Tucson, will you need assistance in finding a place to stay during the time of the training course?
